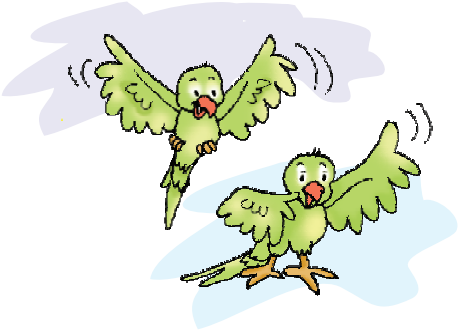
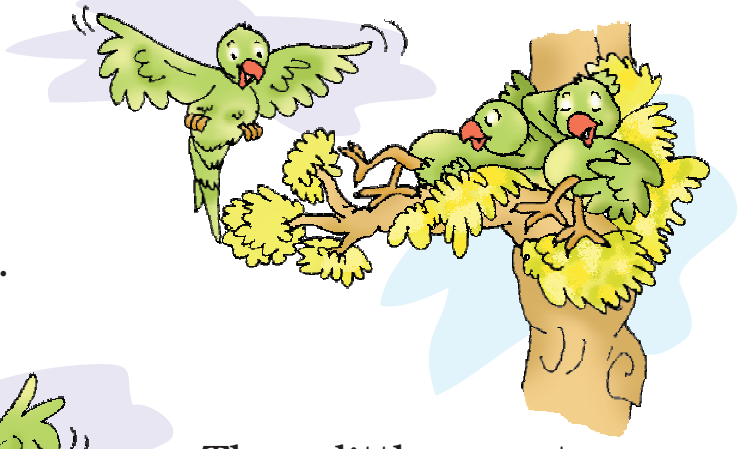
# 3 Addition

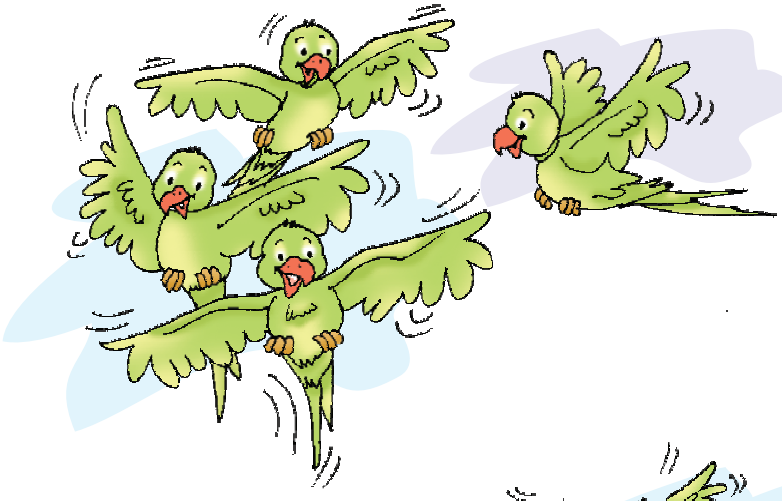
## One more



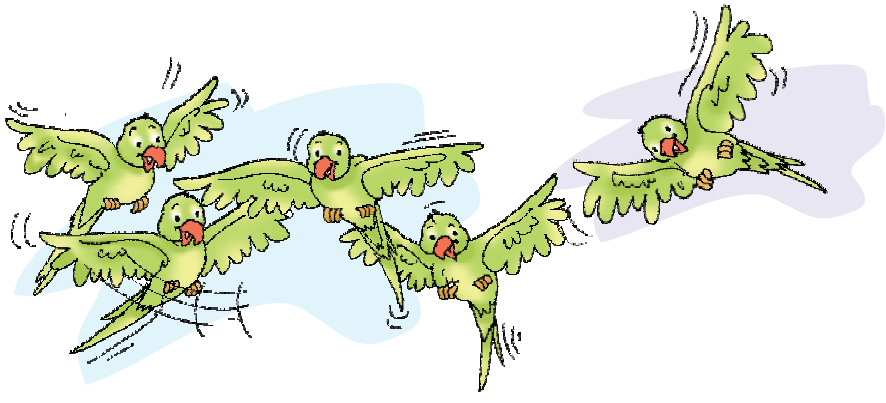
One little parrot,
singing I love you,
One more joins in,
making them two.

Two little parrots,
resting on a tree,
One more joins in,
making them three.





Three little parrots,
looking for more,
One more joins in,
making them four.



Four little parrots,
wanting to dive,
One more joins in,
making them five.

**Teachers Note**

Refer to page no. 139 to develop understanding of addition.
